Dr. James Stubbs
Mayo Clinic Rochester-Hilton Building
210 Second Street Southwest Rochester,
MN 55905

Dear Dr. Stubbs,

This letter is to confirm the current accreditation status of the Mayo Clinic Rochester-Hilton Building. Your organization is currently in good standing with the AABB and working through the re-accreditation process. Your current Certificate of Accreditation is valid for: Donor Center Activities; Hematopoietic Progenitor Cells (HPC)-Collection; Hematopoietic Progenitor Cells (HPC)-Processing, Storage, and Distribution; Somatic Cells Activities-Processing, Storage and Distribution; Immunohematology Reference Laboratory Activities; Perioperative Activities; and Transfusion Activities. Your facility remains accredited by AABB. A new Certificate of Accreditation will be issued upon completion of the accreditation process.

If you have any questions or concerns, please contact the Accreditation Department at 301-2156492 or by e-mail at accreditation@aabb.org.

Sincerely,

A handwritten signature in black ink, appearing to read 'Melanie A. Sloan', is written over a horizontal line.
