

**TEST STATUS – UPDATE**

**NOTIFICATION DATE:** June 17 2016

**EFFECTIVE DATE:** Immediately

**CELL-FREE DNA PRENATAL SCREEN**  
**Test ID: NIPS**

**EXPLANATION:** While no file definition update is required, starting June 2<sup>nd</sup> 2016 this test began being performed utilizing an updated fetal fraction protocol. These updates should decrease the need for repeat testing and reduce overall test TAT.

**QUESTIONS:** Contact your Mayo Medical Laboratories' Regional Manager or  
Michaela Erickson, MML Laboratory Technologist Resource Coordinator
