MAYO CLINIC LABORATORIES

TEST STATUS

Notification Date: November 19, 2026
Effective Date: Immediately

Parietal Cell Antibodies, IgG, Serum

Test ID: PCAB

Explanation:
Due to reagent issues, PCAB will be placed test down effective immediately. The duration of the test down is anticipated to last ≥ 4 weeks. Clients will be contacted regarding alternate testing for samples that have been received or shipped to MCL. However, there is not an alternative test available to order.

An update will be sent when an alternative test is available.
