

Sarcoma Targeted Gene Fusion/Rearrangement Panel, Next-Generation Sequencing, Tumor

Test ID: SARCP

Explanation:

Due to ongoing staffing and supply-chain disruptions, test code SARCP is currently experiencing longer than normal turnaround times (TAT). Testing continues as the lab works to restore TAT. An update will be posted when TAT has been restored.

Questions

Contact Heather Flynn Gilmer or Melissa Lonzo Green, Laboratory Technologist Resource Coordinators, at 800-533-1710.
