

## Methsuximide (Celontin) as DesmethyImethsuximide

**Test ID:** FMETX

**Explanation:** Effective immediately, results for Test ID FMETX performed by Medtox Laboratories, Inc., are delayed due to QC failures. There is currently no tentative date that Medtox will have this fixed. All specimens are being held, stabilized, and will be tested as soon as testing has resumed. Specimens are stable at -70 frozen for 180 days.
