

## Interference Evaluation Heterophile, Beta-Human Chorionic Gonadotropin, Serum

**Test ID:** IEHCG

**Explanation:** Stability changes as reflected below.

| Current Specimen Stability |                          |          |
|----------------------------|--------------------------|----------|
| Specimen                   | Temperature              | Time     |
| Serum                      | Refrigerated (preferred) | 7 days   |
|                            | Ambient                  | 24 hours |
|                            | Frozen                   | 365 days |

| New Specimen Stability |                          |         |
|------------------------|--------------------------|---------|
| Specimen               | Temperature              | Time    |
| Serum                  | Refrigerated (preferred) | 7 days  |
|                        | Ambient                  | 7 days  |
|                        | Frozen                   | 90 days |
