

## QuantiFERON-TB Gold Plus, Blood

**Test ID:** QFT4; performed at Mayo Clinic Laboratories Florida.

### Explanation:

Due to the recent manufacturer technical bulletin issued on effects of hemolysis, lipemia, and icterus on the assay performance and results of the QuantiFERON-TB Plus (QFT-Plus) assay, rejection criteria of QuantiFERON-TB Gold Plus, Blood will be updated as indicated below.

| Current Rejection Criteria                      |        |
|---|--------|
| Specimen submitted not following kit guidelines | Reject |

| New Rejection Criteria                          |        |
|---|--------|
| Specimen submitted not following kit guidelines | Reject |
| Gross hemolysis                                 | Reject |
| Gross lipemia                                   | Reject |
| Gross icterus                                   | Reject |
