Test ID: FMMPP

Explanation:

Per notification received from Esoterix Endocrinology, Anti-NXP-2 Ab test result, which is a component of Test ID FMMPP, will not be available for an indeterminate period of time due to a reagent backorder from the manufacturer. Esoterix Endocrinology will release results of all components of the panel, with the exception of the Anti-NXP-2 Ab, which will be cancelled. The fee has been updated to reflect the price change.

Current Fee	New Fee
