

Susceptibility, *Mycobacterium tuberculosis* Complex, Second Line, Varies

Test ID: TB2LN

Explanation:

The reagent backorder affecting test code TB1LN has now been resolved. First line antimicrobial agents will resume being reported under that test and will no longer be reported with second line agents reported for TB2LN.

Note: Submissions received for TB2LN on or after 6/27/2025 will cease the inclusion of reported first-line antimicrobials.
