

Loxapine (Loxitane) and 8-Hydroxyloxapine

Test ID: LOX

Explanation:

Effective immediately, the results for Test ID LOX, referred to Medtox Laboratories, are delayed due to technical issues. Specimens will be stabilized and tested when the issues are resolved. Currently, there is no ETA of resolution.

Specimen Stability Information:

Specimen Type	Temperature	Time
Varies	Refrigerated (preferred)	14 days
	Ambient	72 hours
	Frozen	180 days
