

Notification Date: October 23, 2025 Effective Date: Immediately

Collapsin Response-Mediator Protein-5-IgG, Western Blot, Spinal Fluid

Test ID: CRMWC

Explanation:

Due to limited clinical utility as a standalone orderable this test will become non-orderable. It is alternatively recommended to order a phenotype-specific autoimmune/paraneoplastic evaluation. For more information as well as phenotype-specific testing options, see <u>Autoimmune Neurology Test Ordering Guide</u>.
