

## Bird Fancier's Precipitin Panel I

**Test ID:** FBFPI

### Explanation:

Per notification received from Eurofins Viracor Laboratories, the Finch Droppings Gel Diffusion test result, which is a component of Test ID FBFPI, will not be available for an indeterminate period of time. Eurofins Viracor will release results of all of the components of the profile with the exception of the Finch Droppings Gel Diffusion test, which will be cancelled. The fee has been updated to reflect the price change.

Current Fee	New Fee
\$132.50	\$122.75
