## Thyroid-Stimulating Immunoglobulin, Serum

**UPDATE 6/8/2026:**

TSI continues to remain test down. The client specific fee for alternate test FFTSI will be honored indefinitely.

**Test ID:** TSI

**Explanation:** Due to concerns around acceptable turnaround times, TSI remains test down. Pending samples received at Mayo Clinic Laboratories will be performed by Mayo Clinic Laboratories. The duration of the test down is indefinite.

**Note:**

Our commitment to delivering answers to patients has always been our top priority and this decision was not made lightly. We apologize for the inconvenience this is causing.

Please be assured that we are here to support you throughout this transition. We look forward to continuing to serve your needs in other capacities.

If you have any questions, [Customer Service](#) is available to assist you.

**Recommended Alternative Test:**

## Thyroid-stimulating Immunoglobulin (TSI)
