

Thyroid-Stimulating Immunoglobulin, Serum

Test ID: TSI

Explanation:

Turnaround time for TSI testing is temporarily extended up to 8–16 days due to reagent validation delays. Testing is underway, and samples are being processed in the order received. We appreciate your patience and will provide updates as soon as normal turnaround times resume.

Note: Alternate referral test, **FFTSI – Thyroid-Stimulating Immunoglobulin (TSI)**, is also available for ordering if preferred. Turnaround time for this test is 8 days.
