

PIK3CA Mutation Analysis, Tumor

Test ID: PIK3T

Explanation:

Due to low test volumes and the availability of more robust, clinically meaningful test alternatives, PIK3T will be obsolete. The recommended testing alternatives for various specimen types are listed below. See specimen and testing details in the Mayo Clinic Laboratories Lab Test Catalog.

Recommended Alternative Testing:

Specimen Type	Test ID	Published Test Name
Colon	MCCRC	MayoComplete Colorectal Cancer Panel, Next-Generation Sequencing, Tumor
Breast (3 options)	MCGST	MayoComplete Gastrointestinal Stromal Tumor (GIST) Panel, Next-Generation Sequencing, Tumor
	MCGYN	MayoComplete Gynecological Cancer Panel, Next-Generation Sequencing, Tumor
	MCSTP	MayoComplete Solid Tumor Panel, Next-Generation Sequencing, Tumor
Other Tumor Types	MCGST	MayoComplete Gastrointestinal Stromal Tumor (GIST) Panel, Next-Generation Sequencing, Tumor
